

MINIMAL FLOWERS

In such a minimal design, white lilies can explode all of your senses. In ancient Greek civilization, lily flower is considered as a symbol of sexuality. It is believed that this flower was created from the breast milk of the Goddess. In Christianity, the white lily flower is associated with the virgin Mary. Moreover, in this modern era, the lily is commonly used by married couples to express their love and devotion to each other. This flower has now become a very popular anniversary gift among the couples.
